Community Book Club Discussion

Cowlitz County Health Department is hosting a Community Book Club Discussion now featuring “Mountains Beyond Mountains” by Tracy Kidder. All interested community members are invited and encouraged to participate. Join us for discussion led by Dr. Jennifer Vines, Deputy Health Officer on Thursday, September 9th at the Kelso Senior Center, 106 NW 8th Avenue, from 7:00 to 8:30 PM.

The Health Department is inviting community members to join them in reading and discussing Dr. Paul Farmer’s quest to bring modern medicine to the poorest communities in the world. Dr. Paul Farmer is a renowned infectious-disease specialist and anthropologist who dedicates his life to treating people in need. Grab the inspiring book for a quick read and join us for free coffee and snacks as well as good discussion.

Come check out a copy of “Mountains Beyond Mountains” at the Health Department. You may also check out the book from your local Public Library, or purchase it online.

Check out the flyer and book club schedule on the health department website www.co.cowlitz.wa.us/health. For more information or questions regarding the new book club contact April Isaacson at 414-5586.

Public Health Always Working for a Safer and Healthier Cowlitz County
