DISCLAIMER: The information presented above is public information and may be distributed and copied. Because reporting of communicable diseases is a constant activity, this data may not reflect our most current, accurate numbers. Some reportable conditions are not listed here if there have been no cases reported since 1/1/2003 in Cowlitz County, e.g. measles. Last updated: 09/19/08

‡ STI case numbers reflect what is reported by the WA DOH

\*=HIV to AIDS \*\*HIV case that was reported to state in 2003 and "lost"

† Cases were transferred from Pacific County
