DISCLAIMER: The information presented above is public information and may be distributed and copied. Because reporting of communicable diseases is a constant activity, this data may not reflect our most current, accurate numbers. Some reportable conditions are not listed here if there have been no cases reported since 1/1/2003 in Cowlitz County, e.g. measles.

[‡] STI case numbers reflect what is reported by the WA DOH

*=HIV to AIDS progression: one each in Feb and May

** As of 06/11/2009, hospitalized or fatal cases of influenza are reportable to the DOH
